CONTEST:
LIGNANO PINWOOD

About the First Prize | 53864

"The architectural project at hand embodies a harmonious fusion of excellence in both architectural and graphic design realms, showcasing a commitment to delivering greatness on all fronts. Through a cohesive integration of architectural and graphic design principles, this project not only achieves its functional objectives but also transcends them, leaving a lasting impression of ingenuity and creativity."

Tatiana Dimou - Tatiana Dimou Architects

"Audacious yet minimal interventions achieve a striking impact through both sensory and spatial media. The proposal stands out for its freshness, seamlessly blending sound, color, and materiality to create a multi-sensory experience that reinterprets many elements of local traditions. Through this unique approach, the project fosters a deep connection between architecture and the natural environment, offering a respectful yet transformative presence in the setting."

Nathalie Rozencwajg - NAME architecture

About the Second Prize | 53465

"A deep and well expressed concept. Respectful of the site and capable to give a new life to the area. Impressive is the reserch of new relations between nature and people throughout architecture."

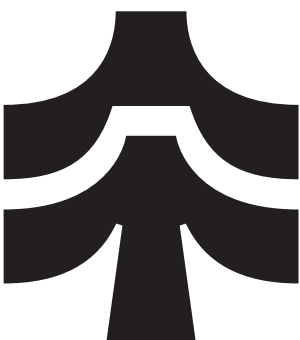

Federico Minelli - Andreas Gruber Architekt

About the Third Prize | 51981

"It gives a clear and unifying response to the overall program, with a distinct but striking image oriented in space. The various urban solutions adopted are compatible with each other and with the location and do not affect the natural dynamics of the site. The materials and constructive systems allow for quick and low-invasive construction. The graphic presentation enhances the proposal."

Marco Leitão - Pedro Henrique Arquiteto
