TerraViva Competitions launches WILDLIFE PAVILIONS, a new architecture contest that aims to explore the potentialities of “Torbiere del Sebino” Reserve (Iseo, Italy) in order to come up with creative design proposals focused on nature. Prizes up to 7.000 € will be awarded to the winners selected by an international jury panel composed by, among others, Zhang Ke (ZAO/standardarchitecture), Alessandro Bonizzoni (Fosbury Architecture), Jan van Dijk (Van Dijk Architects), Nicola Russi (Laboratorio Permanente).

Competitors have to submit two A1 panels (59,4 x 84,1 cm) landscape oriented + a brief text describing the proposal (up to 250 words). Panels must contain all the necessary graphic information to explain the project in the best way possible (title, diagrams, sketches, 3D visualizations, plans and sections, collages, model photos, etc.). All kinds of graphic representations will be accepted.

Early Registrations ending on January 20th 2023
